

MADE ACADEMY IS A STIGMA-FIGHTING, EMPATHY-BUILDING, RADICALLY INCLUSIVE, MENTAL HEALTH CURRICULUM.

Our in-depth video training helps close key knowledge gaps, inspires personal advocacy, and makes our workplaces more informed and psychologically safer for all.

Made Academy offers:

- Mental health education through an intersectional lens
- Wide-ranging perspectives and experiences, from experts and advocates
- Deep dives into different conditions, treatment options, and lifestyle recommendations
- Information on warning signs and preventative approaches
- Guidance on language and destigmatization

Coming to workplaces January 2021.
